Hi Darren,

Just wanted to follow up with you to see whether the George Mason infill is on track to start around July 1, or if the date has been pushed back. Thanks in advance for any updated information you can provide.

### **Update on George Mason**

Another delay at George Mason University. Our Turf Delivery Date (Project Start Date) is now set for 6/20.

As a result, we won't be ready to start infill until around July 1st. Could possibly push out further.
